## Sills

Used for under windows

## Corner Stones

Corner Stones - Plain & Bevel Edge

We can produce variations to these sizes. Call (08) 8721 8000 to speak to our friendly consultants.

BRUHN Limestone is the only second strata Limestone quarry in Mount Gambier, and offers a unique blend of cream and sandstone colours. This variation in colour is derived by natural fault lines unique to the BRUHN Limestone quarry.

BRUHN Limestone has high insulating and acoustic properties that ensure all projects are energy conscious and support government green star ratings.

BRUHN Limestone is cut with small mobile cutting saws minimising carbon emissions and offering low embodied energy ratings.
